

العندليب
AL ÄNDLAIB

Bearing Specialist

Company Profile:

AL Andlaib LLC is one of the leading bearing companies in UAE, supplying and exporting wide range of American, European, Japanese, Korean & Chinese brand Industrial, Marine & Automotive bearing since 2001 with head office in Sharjah.

We also have large warehouse facility and two showrooms in Sharjah- these allow us to keep ready stock of wide range of bearings. Consequently our customers can choose between a wide range of well-known brands. Our corporate policy revolves around the principles of low cost, high quality and customer satisfaction-this has made

Al Andlaib a trustworthy and reliable business partner in the bearing Industry.

Mission:

Keeping the industry in motion by supplying quality bearings at competitive prices with a prompt delivery.

Vision:

To hold the leading position as a supplier and an exporter of all types of bearings.

Our Management Team:

Our top management team comprises of a blend of highly qualified experts. We are dedicated in sustaining the company's mission statement of keeping the industry in motion by supplying best quality bearings at competitive prices.

What we have:

- All brands
- All types of bearings
- Supply to 5 countries
- More than 500 satisfied customers.

Warehouse:

Our new warehouse of approximately 5000 sq. m at Sharjah has a capacity to accommodate more than one million pieces of different brands. It is equipped with SKU systems, material handling equipment and safety devices.

How convenient to do business with Al Andlaib:

- **Quick and prompt response to customer enquiries**
Our efficient customer care and sales staff guarantee that every inquiry will be given proper attention and that they will reply with appropriate feedback.
- **Ready Stock**
We keep a ready stock of wide range of bearings in order to provide to our customers with a large selection of brands to choose from. We have prompt delivery service.
- **Packaging**
We follow international packing standards. This ensures proper handling, stock & delivery of bearings which, in turn prevents the bearings from rust and oil leakage.
- **Prompt Shipment**
We ship the goods via Air, Sea & Road as per customer requirements.

Advantages in doing business with Al Andlaib:

- **Wide range of bearings**
We deal all types of industrial, marine & automotive bearings. This gives the ease shopping under one roof for all of your requirements and different types of bearings.
- **Wide variety of brands**
Our exclusive range of American, European, Japanese, Korean & Chinese brands gives you a wide choice of well-known brands to match your needs and market demand.
- **Excellent Quality**
All bearings are manufactured as per international quality standards and are widely acclaimed for their longer life span and stable performance.
